

# ATTENTION TTC CITIZENS

As TTC plans and prepares for COVID-19, we are working to ensure help is available to those who need a little extra help.

COVID-19 has arrived in the Yukon,

If you or someone you know may need some extra support please contact TTC staff listed below so we can include you on a list for support. In particular, we are focusing on Citizens who have minimal family or other support.

## DO YOU KNOW

### Anyone who is:

- an elder
- at risk due to underlying medical conditions (e.g. heart disease, hypertension, diabetes, chronic respiratory diseases, asthma, COPD, cancer, sleep apnea)
- at risk due to a compromised immune system from a medical condition or treatment (e.g. chemotherapy)

### Anyone who has:

- difficulty reading, speaking, understanding or communicating
- difficulty accessing medical care or health advice
- difficulty doing preventive activities, like frequent hand washing and covering coughs and sneezes
- ongoing specialized medical care or needs specific medical supplies
- ongoing supervision needs or support for maintaining independence
- difficulty accessing transportation
- economic barriers
- unstable employment or inflexible working conditions
- social or geographic isolation, like in remote and isolated communities
- insecure, inadequate, or nonexistent housing conditions
